

Legend Boucles Gold Experience

For this 2025 edition of the Legend Boucles @ Bastogne, in incredible order to follow the event, the Royal Automobile Club de Spa has developed a new VIP formula which will be offered to you on Saturday 1st February 2025.

In concrete terms, after parking your vehicle in a dedicated and guarded car park close to the centre of the rally, you will be invited on Saturday morning to a relaxed breakfast of pastries and coffee.

You will then board a private 8+1 minivan which will take you on the Legend Boucles stages with a driver (Rallymen) who knows the rally world inside out and who will act as your guide with all its tricks and anecdotes...

Lunch will be provided in the form of a high-quality lunch box prepared by the famous Wagon Léo, one of Bastogne's must-visit restaurants.)

Then, after a busy day on the banks of Bastogne's special roads, you'll be welcomed at the Wagon Léo for an aperitif followed by a 4-course meal at the Wagon Léo.
